1 **SEVENTH ANNUAL REPORT AND ACCOUNTING**  
2 **OF WESTERN ASBESTOS SETTLEMENT TRUST**

3 The Trustees of the Western Asbestos Settlement Trust (“Trust”) hereby submit this  
4 Seventh Annual Report and Accounting (“Annual Report”) covering Trust activities occurring  
5 from January 1, 2010 to and including December 31, 2010 (“Accounting Period”), and certain  
6 activities of the Trust, specified below, that took place outside the Accounting Period. This  
7 Annual Report is submitted to the U.S. Bankruptcy Court for the Northern District of California,  
8 Oakland Division, *In Re Western Asbestos Company*, Case no. 02-46284-RLE, in accordance with  
9 the Second Amended Joint Plan of Reorganization (“Plan”); the Court’s January 27, 2004, Order  
10 Confirming Second Amended Joint Plan of Reorganization and Granting Related Relief (“Order  
11 Confirming the Plan”); Eighth Amendment to and Complete Restatement of Western Asbestos  
12 Settlement Trust Agreement (“Trust Agreement”); Second Amendment to and Complete  
13 Restatement of Western Asbestos Settlement Trust Bylaws (“Trust Bylaws”); First Amendment to  
14 and Complete Restatement of Western Asbestos Settlement Trust Case Valuation Matrix  
15 (“Matrix”); First Amendment to and Complete Restatement of the Western Asbestos  
16 Company/Western Mac Arthur Co./Mac Arthur Co. Asbestos Personal Injury Settlement Trust  
17 Distribution Procedures (“TDP”); other controlling documents approved by this Court<sup>1</sup> and  
18 pursuant to the laws of the State of Nevada, where the Trust is organized and where it resides.  
19 The factual statements in this Annual Report are supported by the Declaration of Sara Beth  
20 Brown, Executive Director, in Support of Motion to Approve and Settle Western Asbestos  
21 Settlement Trust’s Seventh Annual Report, the Audited Financial Statements, and the Claim  
22 Report, as described in paragraphs 6, 7, and 8, *infra*. Capitalized terms not defined herein are as  
23 defined in the Glossary of Terms for the Plan Documents. This Court has approved each Annual  
24 Report beginning in 2005.

25 1. Effective Date: In compliance with Sections 4.1 and 7.2 of the Plan, and the  
26 Glossary of Terms for the Plan Documents, the Effective Date of the Trust is April 22, 2004.

27  
28 <sup>1</sup> The Appendix includes the Plan, Order Confirming the Plan, Trust Agreement, Trust Bylaws, Matrix, TDP, and other documents as indicated.

1           2.     Appointment of Trustees: In its February 2, 2004, Order Approving Futures  
2 Representative’s Motion for Approval of Appointment of Trustees for the Western Asbestos  
3 Settlement Trust, this Court approved the appointment of Sandra R. Hernandez, M.D., John F.  
4 Luikart and Stephen M. Snyder as Trustees of the Trust, who have acted in that capacity since that  
5 time. Elected in 2004 by the other two Trustees, Stephen M. Snyder has continued to serve as  
6 Managing Trustee throughout the Accounting Period.

7           3.     Appointment of Trust Advisory Committee (“TAC”): In the Order Confirming the  
8 Plan, this Court approved the appointment of Alan Brayton, Jack Clapper, David M. McClain,  
9 Phil Harley, and Michael Sieben as the initial members of the TAC. Mr. Brayton has served as  
10 the Chair of TAC since the Effective Date of the Trust. Messrs. Clapper, McClain and Sieben  
11 have continued to serve as members of the TAC since the Effective Date of the Trust. As  
12 described in the Trust’s Fifth Annual Report and Accounting, Jerry Neil Paul was appointed to  
13 replace Phil Harley as a member of the TAC in April of 2008 and has served in that capacity since  
14 that time. Further, Mr. Paul’s appointment was approved by this Court in the June 24, 2009 Order  
15 to Approve and Settle Western Asbestos Settlement Trust’s Fifth Annual Report and Accounting,  
16 Audited Financial Statements, and Claim Report; and Order Confirming the Appointment of Jerry  
17 N. Paul to Replace Philip A. Harley as a Member of the TAC.

18           4.     Appointment and Continuation of Futures Representative: The Honorable Charles  
19 B. Renfrew was appointed as the Futures Representative in the Western Reorganization Cases on  
20 November 25, 2002, and his continued appointment as the Futures Representative of the Trust was  
21 approved by this Court in the Order Confirming the Plan. Judge Renfrew has served as the Trust’s  
22 Futures Representative since the Effective Date of the Trust.

23           5.     Fiscal Year and Tax Obligations: The Trust is required by the Internal Revenue  
24 Code to account for and report on its activities for tax purposes on a calendar-year basis.  
25 Therefore, the Trust’s fiscal year is the calendar year. Except where otherwise stated, all reports  
26 attached to this Annual Report cover the Accounting Period. Section 2.2(b) of the Trust  
27 Agreement requires the Trustees to file income tax and other returns and statements in a timely  
28 manner, and comply with all withholding obligations as legally required, including fulfilling

1 requirements to maintain its status as a Qualified Settlement Fund. The Trust has complied with  
2 its tax obligations on a quarterly basis based upon the advice of Sitkoff/O'Neil Accountancy  
3 Corporation, the certified public accountants retained by the Trust to prepare its annual tax  
4 returns. The 2010 federal tax return must be filed on or before September 15, 2011. The Trust  
5 resides in Nevada and Nevada has no state income tax. Although the Trust is not subject to tax in  
6 California, the Trustees file a tax return in California each year, attaching a copy of the Trust's  
7 federal tax return, but showing no California taxable income or state tax liability.

8 6. Annual Report: Section 2.2(c)(i) of the Trust Agreement provides in pertinent part:

9  
10 The Trustees shall cause to be prepared and filed with the Bankruptcy Court, as  
11 soon as available, and in any event within 120 days following the end of each fiscal  
12 year, an annual report containing financial statements of the Trust (including,  
13 without limitation, a statement of the net claimants' equity of the Trust as of the  
14 end of such fiscal year and a statement of changes in net claimants' equity for such  
15 fiscal year) audited by a firm of independent certified public accountants selected  
16 by the Trustees and accompanied by an opinion of such firm as to the fairness of  
17 the financial statements' presentation of the equity presently available to current  
18 and future claimants and as to the conformity of the financial statements with  
19 accounting principles generally accepted in the United States, except for the  
20 special-purpose accounting methods set forth.

21 The special-purpose accounting methods were adopted by the Trustees with the approval of the  
22 TAC and the Futures Representative in the Third Amendment to and Complete Restatement of the  
23 Western Asbestos Settlement Trust Agreement, dated February 28, 2005. The Trust's financial  
24 statements are prepared using special-purpose accounting methods that depart from Generally  
25 Accepted Accounting Principles (GAAP) in certain instances in order to better disclose the  
26 amount and changes in net claimants' equity.

27 7. Financial Report: In accordance with the requirements of Section 2.2(c)(i) of the  
28 Trust Agreement, the Trust has caused its financial statements to be audited by Grant Thornton  
LLP, the independent certified public accountants retained by the Trust to perform the annual  
audit of its financial statements. The Trust's audited financial statements ("Audited Financial  
Statements") are attached hereto as Exhibit "A". These include a Statement of Net Claimants'  
Equity, a Statement of Changes in Net Claimants' Equity, a Statement of Cash Flows and  
explanatory Notes. The Statement of Net Claimants' Equity, which is the equivalent of a

1 corporate balance sheet, reflects total assets of the Trust at market value and on the other  
2 comprehensive basis of accounting adopted by the Trust. These Audited Financial Statements  
3 show, among other things, that as of December 31, 2010, total Trust assets were \$823,513,187,  
4 total liabilities were \$16,465,008, and Net Claimants' Equity was \$807,048,179.

5 8. Claim Report: Section 2.2(c)(ii) of the Trust Agreement provides that along with  
6 the Audited Financial Statements, the Trust shall file with the Court a report containing a  
7 summary regarding the number and type of claims disposed of during the period covered by the  
8 financial statements. The Western Asbestos Settlement Trust Claim Report As Of December 31,  
9 2010 ("Claim Report"), is attached hereto as Exhibit "B". During the Accounting Period, the  
10 Trust received 969 claims, paid 748 claims, and made settlement offers on 743 claims. Since the  
11 Trust received its first Trust Claim<sup>2</sup> on August 27, 2004, the Trust has received 8,799 Trust  
12 Claims, paid 6,041 Trust Claims, and 1,297 Trust Claims have been withdrawn.<sup>3</sup>

13 Section 5.4 of the TDP provides that the Trust shall pay Pre-Petition Default,  
14 Settlement, and Matrix Claims (hereafter "Pre-Petition Liquidated Claims")<sup>4</sup> "[as] soon as  
15 practicable after the Effective Date". The vast majority of these claims were paid in 2004, and by  
16 December 2005, the Trust had paid 99% of all Pre-Petition Liquidated Claims. During the  
17 Accounting Period, the Trust paid one (1) Pre-Petition Liquidated Claim in the amount of  
18 \$10,929.48. That amount was paid in trust to the representative law firm after the appropriate  
19 release from the claimant was received by the Trust. The Trust has not yet received proper release  
20 documents for thirty-one (31) remaining unpaid Pre-Petition Liquidated Claims in the total  
21 amount of \$681,338.

22 9. Public Inspection: In compliance with Section 2.2(c) of the Trust Agreement, the  
23 Annual Report, including the Audited Financial Statements and Claim Report, has been sent to the  
24 Futures Representative, the TAC, the Debtors, and the Office of the United States Trustee with  
25 responsibility for the Northern District of California, and has been made available for inspection  
26

27 <sup>2</sup> "Trust Claims" are any claims submitted to the Trust after the Effective Date.

28 <sup>3</sup> "Withdrawn Claims" include claims which are not qualified and/or claims with deficiencies that have not been cured beyond a certain time period, and/or claims that have remained on hold beyond a certain time period.

<sup>4</sup> See this Court's February 3, 2004 Memorandum of Decision after Confirmation Hearing included in the Appendix filed herewith.

1 by the public in accordance with procedures established by this Court.

2 10. Trustees' Meetings: Article II, Section 4 of the Trust Bylaws provides that the  
3 Trustees shall meet in Nevada, or a state other than California, at least four times per year, as close  
4 as practicable on a quarterly basis. The Trustees held four (4) meetings during the Accounting  
5 Period (February 18, 2010, April 21, 2010, September 16, 2010, and November 18, 2010). All  
6 meetings were held in Reno, Nevada.

7 11. Arbitrations: During the accounting period, no arbitrations were held pursuant to  
8 Section 5.9 of the Trust Distribution Procedures.

9 12. Bi-annual Review of Claims: Section 5.7(b) of the TDP requires the Trust to  
10 provide a report reviewing filed claims, paid claims, average payments and disallowed claims by  
11 Compensable Disease every two (2) years. This report was presented at the November 18, 2010  
12 meeting. A copy of the report is included in the Appendix filed herewith.

13 13. Payment Percentage: Section 4.2 of the TDP provides that, commencing on the  
14 first day of January, after the Plan has been confirmed and no less frequently than once every three  
15 years thereafter, the Trustees shall reconsider the Payment Percentage to assure that it is based on  
16 accurate current information and may, after such reconsideration, change the Payment Percentage  
17 if necessary with the consent of the TAC and the Futures Representative. In its April 14, 2004,  
18 Order Under Fed.R.Bankr.P. 9019 Approving Compromises with Settling Insurers, this Court  
19 approved a Payment Percentage to the Trust's claimants of 31.5%. The Payment Percentage was  
20 increased to 34.2% effective January 1, 2006, and to 40% on July 24, 2007. As described and  
21 approved in the Trust's Sixth Annual Report and Accounting, the Payment Percentage was  
22 reviewed and increased to 44% at the February 18, 2010 meeting.

23 14. Maximum Annual Payment: Section 2.4 of the TDP requires that the Trust  
24 calculate an annual payment limit for claims based upon a model of the amount of cash flow  
25 anticipated to be necessary over the entire life of the Trust to ensure that funds will be available to  
26 treat all present and future claimants as similarly as possible. At the November 18, 2010 meeting,  
27 the Maximum Annual Payment for 2011 was set at \$66,000,000, plus the amount of \$316,328,152  
28 of excess funds carried over from prior years, which Section 2.5 of the TDP requires to be rolled

1 over and remain dedicated to the respective Disease Category in the Jurisdiction to which they  
2 were originally allocated.

3 15. Inflation Adjustment: The original Payment Percentage approved by this Court  
4 was based upon projections of future claims payments adjusted annually for inflation. Beginning  
5 in 2006, all claims payments made during a calendar year include a cost of living adjustment  
6 based upon the Federal Bureau of Labor Statistics' *Consumer Price Index for Urban Wage*  
7 *Earners and Clerical Workers* (CPI-W) announced in January each year. Thus, as of January 1,  
8 2010, all claims payments made during the calendar year were increased by 13.84% to account for  
9 inflation.

10 At the November 18, 2010 meeting, the CPI-W to be published in January 2011  
11 was approved for use by the Trust in making the 2011 cost of living adjustment for claims  
12 payments. The CPI-W of 1.7% was issued on January 14, 2011. Consequently, all claims  
13 payments made during the 2011 calendar year will have a compounded inflation rate of 15.78%  
14 added to the payment amount.

15 16. Budget and Cash Flow Projections: Section 2.2(d) of the Trust Agreement requires  
16 the Trustees to cause to be prepared a budget and cash flow projections prior to the  
17 commencement of each fiscal year covering such fiscal year and the succeeding four fiscal years.  
18 The Trustees approved the 2011 budget and the required four-year budget and cash flow  
19 projections on November 18, 2010. Pursuant to the Trust Agreement, these were provided to the  
20 Futures Representative and TAC. The budget for operating expenses in 2011 totals \$1,917,000.<sup>5</sup>

21 17. J.T. Thorpe Settlement Trust Administration: As initially described in the Trust's  
22 Third Annual Report and Accounting, the Trust and J.T. Thorpe Settlement Trust ("J.T. Thorpe  
23 Trust") entered into a Trust Facilities and Services Sharing Agreement. The J.T. Thorpe Trust  
24 agreed to pay a negotiated monthly amount. Such arrangement was approved by this Court in the  
25 order approving the Trust's Third Annual Report. As described in the Trust's Sixth Annual  
26 Report and Accounting, it was decided that the Advance Payments should remain at \$27,000 per  
27

28 <sup>5</sup> This figure is net of claimant payments which are budgeted for \$66,193,795, net of extraordinary legal fees which are budgeted for \$1,590,000, and net of income tax payments which are budgeted for \$2,000,000.

1 month for 2009. Pursuant to the annual reconciliation of fees presented at the February 18, 2010  
2 meeting, the Advance Payments remained at \$27,000 per month for 2010.

3 18. Audit of Trust Facilities and Services Sharing Agreement with J.T. Thorpe  
4 Settlement Trust: As described in the Trust's Sixth Annual Report and Accounting, the Trust  
5 retained Mr. David Maxam to perform an independent accounting audit of the Trust Facilities and  
6 Services Sharing Agreement between the Trust and J.T. Thorpe Settlement Trust. Mr. Maxam's  
7 report was presented at the February 18, 2010 meeting. The report found that the current method  
8 of allocation is fair and efficient.

9 19. Thorpe Insulation Company Asbestos Settlement Trust Administration: The Trust  
10 was approached in February of 2010 to begin preparatory work in anticipation of entering into a  
11 contract to share its resources to administer and process the Thorpe Insulation Company Asbestos  
12 Settlement Trust ("Thorpe Insulation Trust") when and if it was established. During the February  
13 18, 2010 Trustees' meeting, a *Resolution Regarding Thorpe Insulation Company Matters* was  
14 approved with the caveat that the Trust advance no more than \$100,000 in preparation for the  
15 Thorpe Insulation Trust and with the understanding that those costs would be reimbursed by the  
16 Thorpe Insulation Trust if and when it was established and entered into an agreement with the  
17 Trust. A copy of the resolution is included in the Appendix filed herewith.

18 Further to that resolution, the Trust implemented a "Voluntary Claims Submission  
19 Program" until the formation of the Thorpe Insulation Trust on October 22, 2010 pursuant to an  
20 Order Authorizing Implementation of Voluntary Claims Submission Program and Preparatory  
21 Work for Trust Implementation entered on September 28, 2010 in the U.S. Bankruptcy Court for  
22 the Central District of California, Los Angeles Division, *In re Thorpe Insulation Company, In re*  
23 *Pacific Insulation Company, Debtors*, Case Nos. 2:07-19271-BB and 2:07-20016-BB (jointly  
24 administered under Case No. 2:07-20016-BB). A copy of the Order is included in the Appendix  
25 filed herewith. All funds advanced in connection with such preparatory work and the Voluntary  
26 Claims Submission Program have been reimbursed to the Trust.

27 The Trust Facilities and Services Sharing Agreement was entered into during the  
28 Accounting Period and amendments were approved on April 21, 2011, with the consent of the

1 Futures Representative and TAC, for presentation at the next quarterly Trustees' meeting. The  
2 agreement provides: (i) for the Thorpe Insulation Trust to pay to the Trust, for all processing costs  
3 and its share of fixed costs, the amount of \$35,000 each month for the first eight months, and  
4 \$27,000 each month beginning on July 1, 2011 through the end of the Initial Term for the sharing  
5 of the Trust employees; and (ii) for an accounting through the end of 2011 and each year  
6 thereafter to identify and adjust actual costs as shared to insure that each trust is paying its  
7 proportionate share of the expenses.

8       20.    Operating Fund: The Operating Fund was established at Wells Fargo Bank, N.A.,  
9 to pay anticipated operating expenses of the Trust, as described in all the Trust's Annual Reports.  
10 During the Accounting Period, \$3,500,000 was transferred into the fund from the Settlement Fund.

11       21.    Set Aside Funds: The Trust continues to maintain separate funds for the defense  
12 and indemnification of Ordway and Milwaukee, Van Packer, Mac Arthur and Western Mac  
13 Arthur, and ERC as required by the Trust Documents and/or settlement agreements. These  
14 accounts hold the legally required amounts in cash and securities for certain indemnification  
15 obligations. During the Accounting Period, the Trust received a claim from Van Packer  
16 Company. Trust counsel is researching the Trust's indemnification obligations, if any.

17       22.    Indemnity Fund (Self-Insured Retention): Section 4.6 of the Trust Agreement  
18 provides that the Trust shall indemnify the Trustees, the Trust's officers and employees, the  
19 Futures Representative, the TAC and each of their respective agents. The Trustees, the Futures  
20 Representative, the TAC and their respective agents have a first priority lien upon the Trust's  
21 assets to secure the payment of any amounts payable to them pursuant to Section 4.6.

22               In 2004, the Trust established an indemnity fund in the amount of \$40,000,000, as  
23 described in all the Trust's Annual Reports. All interest earned by the fund is returned to the Trust  
24 quarterly. During the Accounting Period, no claims were made against the fund and no money  
25 was paid from the fund.

26       23.    Special Budget Fund: A Special Budget Fund was approved in this Court's May  
27 18, 2005 Order to Approve and Settle Western Asbestos Settlement Trust's Annual Report and  
28 Accounting, Audited Financial Statements, and Claim Report; and to Approve Resolution

1 Regarding the FAIR Act. All interest earned by the Special Budget Fund is returned to the Trust  
2 quarterly. As described in the Trust's Sixth Annual Report and Accounting, the Special Budget  
3 Fund was decreased to a nominal amount (\$1,000) sufficient to allow the account to remain open  
4 so that additional funds may be deposited in the future if necessary and the Managing Secured  
5 Party was released from any further responsibility, including the requirement to report on the  
6 Special Budget Fund at each regular meeting of the Trustees.

7 24. Settlement Fund Control Account and Control Agreements: Section 4.7 of the  
8 Trust Agreement grants to the Trustees, the Futures Representative and the TAC, a security  
9 interest in all of the assets of the Trust to secure the indemnification obligations of the Trust to  
10 such parties. The Trustees, the TAC, the Futures Representative and their agents have a security  
11 interest in the assets of the Trust. The Trust entered into five separate Control Agreements in  
12 2005 as described in detail in the Trust's Second Annual Report and Accounting. There has been  
13 no change in these Control Agreements during the Accounting Period.

14 25. Legal Disputes:

15 a. *Western Asbestos Settlement Trust, et al. v. Zurich-American Insurance Co., et*  
16 *al.*, San Francisco Sup.Ct., Case No. CGC04-436181, November 9, 2004: This is an insurance  
17 coverage action against various insurers for recovery under numerous primary and excess policies  
18 issued to the Debtors starting in 1946. The Trustees retained Morgan Lewis & Bockius LLP to  
19 represent the Trust in the *Zurich* litigation pursuant to an hourly fee arrangement, capped monthly,  
20 in addition to a success fee based on the amount of the final award. The Trust reports on the  
21 amounts paid and accrued to the law firm at each Trustees' meeting.

22 In addition, the Trust entered into a Settlement Agreement with The Home  
23 Insurance Company in Liquidation on February 18, 2011 in connection with its Proof of Claim  
24 submitted on June 11, 2004. Pursuant to the terms of the settlement agreement, the Home  
25 Liquidator filed a motion for approval of the settlement in the State of New Hampshire,  
26 Merrimack County Superior Court, *In the Matter of the Liquidation of The Home Insurance*  
27 *Company*, Docket No. 03-E-0106 ("Liquidation Court Proceeding"). A joint motion by the Home  
28 Liquidator and the Trust to stay the disputed claim proceeding was also filed in the Liquidation

1 Court Proceeding, which joint motion was granted on March 15, 2011. The settlement was  
2 approved in the Liquidation Court Proceeding subject to resolution of certain objections, which  
3 have now been resolved. Issuance of an order approving the settlement is currently pending.

4 b. As described in the Trust's Sixth Annual Report and Accounting, the Hartford  
5 Accident and Indemnity Company ("Hartford") notified the Trust of Hartford's intention to  
6 conduct an audit of all claims submitted to the Trust. This court issued the *Order and Permanent*  
7 *Injunction Granting Trust Fiduciaries' Motion for Partial Summary Judgment, Denying Hartford*  
8 *Accident and Indemnity Company's Motions for Judgment on the Pleadings or Summary*  
9 *Judgment, Ordering Production of Audit Information, and Dismissing Trust Fiduciaries' Second*  
10 *Cause of Action as Moot* on August 11, 2008, and on August 21, 2008, Hartford filed a *Notice of*  
11 *Appeal and Notice of Election to have Appeal Heard by a District Judge*. On September 10, 2009,  
12 the District Court affirmed this Court's ruling. On October 13, 2009, Hartford filed a Notice of  
13 Appeal in the United States Court of Appeals for the Ninth Circuit ("Court of Appeals"). On  
14 December 20, 2010, the Court of Appeals affirmed this Court's ruling. A copy of the  
15 *Memorandum* issued by the Court of Appeals is included in the Appendix filed herewith.

16 c. As described in the Trust's Sixth Annual Report and Accounting, the Trust was  
17 served with a Subpoena Duces Tecum in *Congoleum Corporation v. Ace American Insurance Co.,*  
18 *et al.* issued by the Second Judicial District Court of the State of Nevada ("Nevada Court") on  
19 January 23, 2009 pursuant to an Order for Commissions from the Superior Court of New Jersey  
20 obtained by First State Insurance Company ("FSIC") and Twin City Fire Insurance Company  
21 ("TCFIC"). The Trust timely filed an objection to the subpoena in the Nevada Court. The Trust  
22 also filed a petition for instructions in this Bankruptcy Court proceeding. This matter has been  
23 stayed by agreement of the parties pending the outcome of a proposed settlement in the underlying  
24 action between Congoleum Corporation and FSIC and TCFIC.

25 d. Subpoena in *National Union Fire Insurance Company of Pittsburgh, PA., et al.*  
26 *v. Porter Hayden Company*: On October 7, 2010, the Trust was served with a Subpoena to Testify  
27 at a Deposition in a Civil Action issued by the United States District Court for the District of  
28 Nevada. The subpoena was issued on behalf of National Union Fire Insurance Company of

1 Pittsburgh, PA (“National Union”) and sought production of claims information in connection  
2 with claims filed with the J.T. Thorpe Settlement Trust (later dropped from the subpoena) and  
3 Western Asbestos Settlement Trust. However, no response to the subpoena was required until  
4 certain conditions were met by both parties. Pursuant to an objection with respect to the service of  
5 the subpoena raised by Porter Hayden Company in the underlying action, National Union reissued  
6 the subpoena, which was served on the Trust on October 26, 2010. The Trust corresponded with  
7 counsel for National Union concerning the conditions precedent to any response required of the  
8 Trust, as well as the Trust’s objections to the subpoena. On January 7, 2011, National Union filed  
9 a motion to compel production of documents. The Trust filed its Opposition to Motion to Compel  
10 and a related Motion to Strike the Affidavit of Marc C. Scarcella on February 8, 2011. National  
11 Union responded to the Trust’s Motion to Strike the Affidavit of Marc C. Scarcella on February  
12 25, 2011 and the matter was set for oral argument to be held on March 22, 2011. On March 18,  
13 2011, National Union contacted the Trust’s counsel to enter into a negotiated resolution and to  
14 postpone the hearing. The Trust and National Union reached a tentative resolution and the  
15 hearing was continued to June 28, 2011.

16 e. A California law firm representing asbestos claimants has alleged that at  
17 various times the Trustees of the Trust, the Trust staff, the Futures Representative and members of  
18 the Trust Advisory Committee have acted in bad faith, fraudulently, in breach of fiduciary duty  
19 and are conspiring to harm the firm and the claimants it represents. The allegations made by this  
20 law firm have not been raised by any other claimant or claimant representative. The current  
21 allegations relate specifically to the complaining firm's objection to published requirements that  
22 declarations offered in support of claims against the Trust meet certain legal requirements (see  
23 paragraph 27(i), *infra*) and the internal processing procedures for submitted claims. In the many  
24 previous instances on issues which the subject law firm has disagreed with the position of the  
25 Trust, the law firm has made similar claims and threatened action against the Trustees of the Trust,  
26 as well as other parties involved with the administration of the Trust. Despite the numerous  
27 threats and allegations which the firm has historically made, no action has ever been taken by the  
28 subject law firm against the Trust or other parties involved with the administration of the Trust.

1 Although no action has been taken, the allegations made by the subject law firm against the  
2 Trustees, the Trust staff, the Futures Representative and the Trust Advisory Committee force the  
3 Trust to divert Trust time and resources from claimants to responding to the allegations.  
4 Notwithstanding the history of the subject law firm and its dealings with the Trust, the Trust staff  
5 has had numerous discussions with the subject law firm regarding the foregoing issues in an effort  
6 to understand and, if appropriate, resolve them. However, communications with the principal of  
7 the subject law firm have been increasingly difficult due to the contentious nature and, in the  
8 judgment of the Trust, abusive content of communications with Trust staff. Given these  
9 circumstances, and particularly in response to the escalation of repeated verbal and written  
10 complaints, the Trust has retained counsel for further investigation. Outside counsel has requested  
11 a meeting with the firm to discuss the allegations, but the firm has declined to meet and discuss  
12 the matter with counsel. Although based on the available information, outside counsel has  
13 determined that the allegations lack merit, the Trust is considering whether and what additional  
14 steps may be appropriate to address them. Due to the significant additional expense that may be  
15 involved, the Trust is considering whether to petition this court for instructions about whether  
16 further investigation is necessary and appropriate. Notwithstanding the foregoing, the Trust has  
17 invested additional time and resources to insure that claimants represented by the subject law firm  
18 are not prejudiced, that their claims continue to be processed in the normal course of business, and  
19 that questions concerning specific Trust claims are dealt with as they arise.

20 26. Amendments to the Trust Documents:

21 a. As described in the Trust's Sixth Annual Report and Accounting, paragraph  
22 3.2(d) of the Trust Agreement was revised on April 21, 2010 to be consistent with the changes  
23 made to the Trust's Investment Policy Statement.

24 b. On November 18, 2010, paragraphs 4.5(a) and 6.5(b) of the Trust Agreement  
25 were amended to be consistent with the changes made to the Trustees' and TAC's compensation  
26 during the September 16, 2010 meeting as described in paragraphs 30 and 31, *infra*.

27 c. On February 17, 2011, Section IV(b)(vii) of the Matrix was amended to allow  
28 for a pathological diagnosis of occupational levels of asbestos bodies or asbestos fibers in lung

1 tissue to be considered when determining medical causation.

2 d. On April 21, 2011, Section 2.2(g) of the Trust Agreement was amended to  
3 acknowledge that consents by the TAC and Futures Representative whether by signature or as  
4 reflected in all approved Trustees' meeting minutes shall constitute the required form and  
5 substance of consent. A copy of the *Ninth Amendment to and Complete Restatement of Western*  
6 *Asbestos Settlement Trust Agreement* is included in the Appendix filed herewith.

7 27. Notifications to Beneficiaries: During the Accounting Period and from January 1,  
8 2011 to and including April 21, 2011, the following notifications were placed on the Trust's Web  
9 site and forwarded to all interested parties via electronic mail on or about the date of the Web site  
10 posting:

11 a. Notice of increase in Payment Percentage (posted on February 25, 2010).  
12 b. Reminder Concerning Hold Claims Policy (posted on March 1, 2010).  
13 c. Notice of Consumption Guidelines for Wrongful Death Claims (posted on April  
14 28, 2010) involves wrongful death claim requests for economic loss in excess of \$200,000 and the  
15 Trust's requirement that the economist take into consideration the lack of consumption by the  
16 deceased when determining the amount of economic loss.

17 d. Notice of the hearing on the Trust's Sixth Annual Report and Accounting  
18 (posted on May 7, 2010).

19 e. Updated Notice Regarding Medicare Reporting (posted on November 1, 2010)  
20 indicating that the Trust is not a "responsible reporting entity" under the 2007 Medicare,  
21 Medicaid, and SCHIP Extension Act and that the Trust cancelled its registration as a reporting  
22 entity (a copy of the opinion letter from Kathleen Sebelius dated November 2, 2009 is included in  
23 the Appendix filed herewith).

24 f. Notice of Deficient Claims Policy (posted on November 22, 2010) involves the  
25 notice of deadlines for enforcement of the TDP policy to deem withdrawn any claim that has been  
26 in deficient status for six months without any activity on the part of the claimant. An extension of  
27 an additional six months may be granted for good cause, but after the extended period, if there is  
28 still no activity, the Trust will deem the claim withdrawn. The enforcement of this TDP policy

1 commenced as of December 1, 2010.

2 g. Notice of amendment to the Matrix (posted on March 3, 2011) as described in  
3 paragraph 26(c), *supra*.

4 h. Notice of approved modifications to site and ship lists (posted on Mach 3,  
5 2011).

6 i. Notice of the Trust's policy concerning declarations (posted on April 5, 2011)  
7 submitted in support of site, asbestos exposure, and/or dates of exposure, or any other facts  
8 relevant to claims.

9 28. Independent Review of Individual Review Claims: The Trustees, with the  
10 agreement of the TAC and Futures Representative, contracted with Mr. David Maxam to conduct  
11 an independent review of paid Individual Review claims in May of 2010. Mr. Maxam's findings  
12 were reported at the September 16, 2010 meeting. Among other things, he found that each of 23  
13 randomly selected claims had been processed and paid correctly according to Trust documents and  
14 policies. Mr. Maxam's final report is included in the Appendix filed herewith.

15 29. Filing Fee: Pursuant to Section 6.4 of the TDP, the filing fee was reviewed at the  
16 September 16, 2010 meeting and there were no recommended changes to the existing \$250.00 fee  
17 during the Accounting Period or as of the date hereof.

18 30. Trustees' Compensation: Section 4.5(c) of the Trust Agreement requires the Trust  
19 to report the amounts paid to the Trustees for compensation and expenses. During the Accounting  
20 Period, the Trustees each received per annum compensation in the amount \$65,000. The total paid  
21 to all Trustees for hourly compensation was \$230,655 and \$5,746 was the total amount of  
22 expenses incurred by all Trustees. In addition, section 4.5(a) of the Trust Agreement provides  
23 "per annum compensation payable to the Trustees...shall be reviewed every three years and ...  
24 adjusted with the consent of the Approving Entities.", and also provides for the annual review of  
25 the structure and amounts of compensation of Trustees. At the September 16, 2010 meeting, after  
26 extensive review and discussions, the TAC and Futures Representative resolved that effective  
27 January 1, 2011, the Trustees' per annum compensation would be increased from \$65,000 to  
28 \$70,000, the non-managing Trustees' hourly rate would be increased from \$450 to \$500, and the

1 managing Trustee's hourly rate would be increased from \$550 to \$600.

2 31. TAC Compensation: Section 6.5(d) provides for the annual review of the structure  
3 and amounts of compensation for TAC members. At the September 16, 2010 meeting, the  
4 Trustees, with the consent of the Futures Representative, resolved that effective January 1, 2011,  
5 the hourly rate for TAC members will be increased from \$450 to \$500 for performance of TAC  
6 Trust Tasks.

7 32. Significant Vendors: Although the Trust has many vendors, those who were paid  
8 more than \$100,000 during the Accounting Period are listed alphabetically below.

9 a. BlackRock Financial Management: One of six investment managers for the  
10 Trust described in paragraph 33, *infra*.

11 b. Callan Associates, Inc.: Investment consultant for the Trust described in  
12 paragraph 33, *infra*.

13 c. Dwight Asset Management Company: One of six investment managers for the  
14 Trust described in paragraph 33, *infra*.

15 d. Eagle Capital Management, LLC: One of six investment managers for the  
16 Trust described in paragraph 33, *infra*.

17 e. Fergus, a Law Office: Counsel to the Honorable Charles Renfrew, Futures  
18 Representative.

19 f. Jones Vargas: Law firm that acts as Nevada counsel responsible for the legal  
20 administration of the Trust, bankruptcy matters, and counsel to the Trust in the *Congoleum* and  
21 *National Union* matters as described in paragraph 25, *supra*.

22 g. Morgan Lewis & Bockius LLP: Counsel to Debtors and counsel to the Trust in  
23 the *Zurich* and *Hartford* matters described in paragraph 25, *supra*.

24 h. Standish Mellon Asset Management Company: One of six investment  
25 managers for the Trust described in paragraph 33, *infra*.

26 i. State Street Global Advisors: One of six investment managers for the Trust  
27 described in paragraph 33, *infra*.

28 33. Trust Investment Management: Article 3 of the Trust Agreement authorizes the

1 Trust to administer the investment of funds in the manner in which individuals of ordinary  
2 prudence, discretion and judgment would act in the management of their own affairs, subject to  
3 certain limitations. Callan Associates, Inc. continued to assist the Trust during the Accounting  
4 Period as its investment consultant. BlackRock Financial Management, Inc., Dwight Asset  
5 Management Company, Eagle Capital Management, LLC, Standish Mellon Asset Management  
6 Company, LLC, and State Street Global Advisors have continued to act as investment managers to  
7 the Trust. On November 18, 2010, Harding Loevner, LP was engaged as the Trust's international  
8 investment manager. The Trust closely monitors any market volatility with its investment  
9 advisors and continues to be in compliance with its Investment Policy Statement. As described in  
10 the Trust's Sixth Annual Report and Accounting, the Investment Policy Statement was amended  
11 on April 21, 2010.

12 34. Record Retention and Destruction Policy: As described in the Trust's Sixth Annual  
13 Report and Accounting, the Trustees adopted a record retention and destruction policy on April  
14 21, 2010.

15 35. Study by the RAND Institute for Civil Justice: As described in the Trust's Sixth  
16 Annual Report and Accounting, on April 16, 2010, the Trust received a preliminary draft report  
17 approximately 200 pages in length of a study being conducted by the RAND Institute for Civil  
18 Justice ("RAND") under cover of RAND's April 15, 2010 letter sent to Trust counsel. The letter  
19 requested the Trust to review the information relating to the Trust in the draft report for accuracy,  
20 and respond by May 7, 2010. The Trust completed its evaluation of the draft report and the letter  
21 and provided a response to RAND on May 7, 2010. A copy of the Trust's response to RAND is  
22 included in the Appendix filed herewith. The RAND report was issued in August of 2010 with  
23 many items remaining incorrect.

24 \*\*\*

25 The Trustees submit that the Annual Report and attached exhibits demonstrate the Trust  
26 acted prudently and expeditiously in executing its legal obligations during the Accounting Period  
27 and up to and including the date hereof. The Trust conscientiously worked to execute equitable  
28 claims procedures and process Trust Claims with due diligence during the Accounting Period and

up to and including the date hereof. Moreover, the Trust worked with its accountants and financial advisors to preserve and grow Trust assets in order to fulfill the purpose of the Trust--paying valid asbestos claims. In so doing, the Trust carefully complied with all Plan documents and the mandates of this Court.

## Report of Independent Certified Public Accountants

To the Trustees of Western Asbestos Settlement Trust

We have audited the accompanying special-purpose statements of net claimants' equity of Western Asbestos Settlement Trust (the Trust), organized in the State of Nevada, for the years ended December 31, 2010 and 2009, and the related statements of changes in net claimants' equity and cash flows for the years then ended. These special-purpose financial statements are the responsibility of the Trust's management. Our responsibility is to express an opinion on these special-purpose financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America as established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note A, these special-purpose financial statements were prepared on a special-purpose basis of accounting and are not intended to be a presentation in conformity with accounting principles generally accepted in the United States. The special-purpose basis of accounting has been used in order to present the amount of equity presently available to current and future claimants, and the changes in equity during the period.

In our opinion, the accompanying special-purpose financial statements of Western Asbestos Settlement Trust, as of and for the years ended December 31, 2010 and 2009, are fairly presented, in all material respects, on the basis of accounting described in Note A.

Our audit was conducted for the purpose of forming an opinion on the special-purpose financial statements taken as a whole. The supplemental schedule is presented for purposes of additional analysis and is not a required part of the special-purpose financial statements. This information has been subjected to the auditing procedures applied in our audit of the special-purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the special-purpose financial statements taken as a whole.

This report is intended solely for the information and use of the management of the Trust and Trustees, the beneficiaries of the Trust, the Futures Representative, the Futures Counsel, the members of the Trust Advisory Committee, and the United States Bankruptcy Court for the Northern District of California, Oakland Division and is not intended to be and should not be used by anyone other than these specified parties. This restriction is not intended to limit the distribution of this report which, upon filing with the United State Bankruptcy Court for the Northern District of California, Oakland Division is a matter of public record.

## Western Asbestos Settlement Trust

### NOTES TO FINANCIAL STATEMENTS

December 31, 2010 and 2009

#### NOTE A - SUMMARY OF ACCOUNTING POLICIES

##### 1. Description of Trust

The Western Asbestos Settlement Trust (the Trust), organized pursuant to the laws of the state of Nevada with its office in Reno, Nevada, was established pursuant to the Western Asbestos Company (Western Asbestos), Western Mac Arthur Co. (Western Mac Arthur) and Mac Arthur Co. (Mac Arthur), (collectively the Debtors), Second Amended Joint Plan of Reorganization (the Plan), dated November 22, 2002. The Trust was formed to assume the Debtors' liabilities resulting from pending and potential litigation involving individuals exposed to asbestos who have manifested asbestos-related diseases or conditions; liquidate, resolve, pay and satisfy all current and future asbestos related claims in accordance with the Plan; preserve, hold, manage and maximize the Trust assets for use in paying and satisfying allowed asbestos related claims; prosecute, settle and manage the disposition of the asbestos in-place insurance coverage; and prosecute, settle and manage asbestos insurance coverage actions. Upon approval of the Plan, the Trust assumed liability for existing and future asbestos health claims against the Debtors. The Trust was created effective April 22, 2004.

The Trust was initially funded with cash, Western Asbestos securities, notes receivable and insurance settlement proceeds. Since its creation, all notes receivable have been collected. The Trust's funding is dedicated solely to the settlement of asbestos health claims and the related costs thereto, as defined in the Plan.

The Trust processes and pays all asbestos related claims in accordance with the Western Asbestos Settlement Trust Agreement, as amended and restated, the Case Valuation Matrix, as amended, (Matrix) and Trust Distribution Procedures, as amended and restated, (TDP) (collectively, the Trust Procedures).

##### 2. Special-Purpose Accounting Methods

The Trust's financial statements are prepared using special-purpose accounting methods that differ from accounting principles generally accepted in the United States. The special-purpose accounting methods were adopted in order to present the amount of equity available for payment of current and future claims. These special-purpose accounting methods are as follows:

- a. The financial statements are prepared using the accrual basis of accounting, as modified below.
- b. The funding received from Western Asbestos, Western Mac Arthur and its liability insurers is recorded directly to net claimants' equity. These funds do not represent income of the Trust. Offers for asbestos health claims are reported as deductions from net claimants' equity and do not represent expenses of the Trust.
- c. Costs of non-income producing assets, which will be exhausted during the life of the Trust and are not available for satisfying claims, are expensed when incurred. These costs include acquisition costs of computer hardware, software, software development, office furniture, leasehold improvements, and other prepaid expenses such as rent and insurance.

#### NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

##### 2. Special-Purpose Accounting Methods - Continued

- d. Future fixed liabilities and contractual obligations entered into by the Trust are recorded directly against net claimants' equity. Accordingly, the future minimum commitments outstanding at period end for non-cancelable obligations have been recorded as deductions from net claimants' equity.
- e. The liability for unpaid claims reflected in the statement of net claimants' equity represents settled but unpaid claims and outstanding offers. A claims liability is recorded once an offer is made to the claimant at the amount equal to the expected pro rata payment. No liability is recorded for future claim filings and filed claims on which no offer has been made. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded.
- f. Available-for-sale securities are recorded at fair value. All interest and dividend income on available-for-sale securities, net of investment expenses is included in investment income on the statement of changes in net claimants' equity. Net realized and unrealized gains and losses on available-for-sale securities are recorded as a separate component on the statement of changes in net claimants' equity.
- g. Realized gains and losses on available-for-sale securities are recorded based on the security's amortized cost. At the time a security is sold, all previously recorded unrealized gains and losses are reversed and recorded net, as a component of other unrealized gains and losses in the accompanying statement of changes in net claimants' equity.

##### 3. Cash and Cash Equivalents

Cash and cash equivalents include demand deposit accounts and cash invested in money market funds.

##### 4. Investments

Fair value measurements are determined through the use of an independent, nationally recognized pricing service. For securities that have quoted prices in active markets, market quotations are provided. For securities that do not trade on a daily basis, the pricing service provides fair value estimates using a variety of inputs including, but not limited to, benchmark yields, reported trades, broker/dealer quotes, issuer spreads, bids, offers, reference data, prepayment spreads and measures of volatility. The Trust reviews on an ongoing basis the reasonableness of the methodologies used by the pricing service, as well as determines the aggregate portfolio price performance and reviews it against applicable indices.

##### 5. Deposits

Claims processing deposits represent filing fees collected for each unliquidated claim which fees are refunded by the Trust if the claim is paid.

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2010 and 2009

#### NOTE A - SUMMARY OF ACCOUNTING POLICIES - Continued

##### **6. Use of Estimates**

The preparation of financial statements in conformity with the special-purpose accounting methods described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net claimants' equity during the reporting period. Actual results could differ from those estimates.

##### **7. Concentration of Risk**

Financial instruments that potentially subject the Trust to concentrations of risk consist of cash, cash equivalents and investments. Cash equivalents consist of money market accounts and certificates of deposit. Cash equivalents and demand deposits are in excess of Federal Deposit Insurance Corporation limits.

The Trust utilizes risk controls to meet investment objectives authorized by its Trustees. Such risk controls include the use of outside investment advisors meeting predetermined criteria, and third-party quantitative and qualitative risk measurement evaluation tools. The Trust believes its risk control practices are appropriate to meet investment objectives.

Investment securities, in general, are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

##### **8. Income Taxes**

On January 1, 2009, the Trust adopted new accounting guidance for recognizing, measuring, presenting, and disclosing uncertain tax positions taken or expected to be taken. As the result of implementation of the new accounting guidance, the Trust recognized no change in the liability for unrecognized tax benefits related to tax positions taken in prior periods. The Trust's policy is to recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2010, the Trust did not have any accrued interest or penalties associated with any unrecognized tax benefits, nor did it incur any interest and penalties expense with any unrecognized tax benefits for the year then ended. The Trust is unaware of information concerning any tax positions for which a material change in the unrecognized tax benefit or liability is reasonably possible within the next twelve months. The Trust files income tax returns in the United States and no state jurisdiction. The Trust is no longer subject to United States federal tax examinations for years before 2007.

##### **9. Reclassifications**

Certain reclassifications have been made to the December 31, 2009 financial statements to conform to the December 31, 2010 presentation. The reclassifications have no effect on net claimants' equity.

**NOTE B - CASH, CASH EQUIVALENTS AND INVESTMENTS - Continued**

The Trust accounts for investments according to a fair value hierarchy that distinguishes between assumptions based on market data (observable inputs) and the Trust's assumptions (unobservable inputs). The hierarchy consists of three broad levels as follows:

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or valuations based on models where significant inputs are observable or can be corroborated by observable market data.

Level 3 - Valuations based on models where significant inputs are not observable, and for which the determination of fair value requires significant management judgment or estimation.

Assets and liabilities measured at fair value on a recurring basis, including financial instruments for which the Trust accounts were as follows at:

**NOTE B - CASH, CASH EQUIVALENTS AND INVESTMENTS - Continued**

The Trust experiences transfers in and out of levels within the fair value hierarchy primarily due to the market activity of the underlying security. The Trust's policy is to recognize transfers in and out at the actual date the event or change in circumstance caused the transfer. Between the measurement dates of December 31, 2009 and December 31, 2010, approximately \$13,390,000 of municipal bond securities transferred from Level 2 to Level 1 due to the availability of quoted prices in active markets for identical securities. Between the measurement dates of December 31, 2009 and December 31, 2010, approximately \$852,000 of mortgage backed securities transferred from Level 2 to Level 3 due to decreased market activity and a lack of observable inputs.

Activity in Level 3 investments for the years ended December 31, 2010 and 2009 was:

	Mortgage Backed Securities	
	2010	2009
Balance at January 1	\$5,130,799	\$ -
Transfers from Level 2	852,395	5,897,713

Unrealized gain	2,405,687	556,903
Balance at December 31	\$1,842,984	\$5,130,799

The maturities of the Trust's available-for-sale securities at market value (excluding cash equivalents) are as follows as of December 31, 2010:

	Less than 1 Year	After 1 Year Through 5 Years	After 5 Years Through 10 Years	After 10 Years

#### NOTE C - FIXED ASSETS

The cost of non-income producing assets that will be exhausted during the life of the Trust and are not available for satisfying claims are expensed as incurred. Since inception, the cost of fixed assets expensed, net of disposals, include:

Acquisition of furniture and equipment	\$102,862
Acquisition of computer hardware and software	<u>414,859</u>
	<u>\$517,721</u>

These items have not been recorded as assets, but rather as operating expenses and direct deductions from net claimants' equity in the accompanying financial statements. The cost of fixed assets that were expensed during the years ended December 31, 2010 and 2009 were \$21,216 and \$7,676, respectively.

Total depreciation expense related to asset acquisition using accounting principles generally accepted in the United States would have been approximately \$22,656 and \$27,123 for the years ended December 31, 2010 and 2009, respectively.

#### NOTE D - CLAIM LIABILITIES

The Trust distinguishes between claims that were resolved prior to the establishment of the Trust and claims received and processed using the Trust Procedures after the creation of the Trust (Trust Claims). The claims filed prior to the creation of the Trust were grouped into three categories: default, matrix and settlement claims (Pre-petition Liquidated Claims).

The cases underlying the Pre-petition Liquidated Claims were stayed by the courts until the Plan was approved. The Trust approved and immediately made offers to pay, subject to receiving a claimant release, the approved Payment Percentage of the liquidated value of each Pre-Petition Liquidated Claim. Certain Pre-petition Liquidated Claims were further reduced by payments made by the debtors' insurers prior to the formation of the Trust.

For all claims, a liability for unpaid claims is recorded at the time the offer is extended and the release authorization is mailed. Funds are mailed after the release is signed and received by the Trust. Unpaid claims liabilities remain on the Trust's books until the offer is accepted, rejected or expires after six months. Offers may be extended an additional six months upon written request and good cause. As of the years ended December 31, 2010 and 2009, there were no expired offers.

All claimants are entitled to the full liquidated value of their claim. Under the TDP, claimants receive an initial pro rata payment equal to the approved Payment Percentage of the claim's liquidated value. The remaining obligation for the unpaid portion of the liquidated amount is not recorded and is not a liability of the Trust, unless the Payment Percentage is increased. In that instance, the Trust would be obligated to retroactively pay the increased percentage to all previously paid claimants.

In the interest of treating all claimants equitably in accordance with the Plan, the Trustees have recommended that all payments made during each calendar year ended December 31, 2006 through December 31, 2010 include a Cost of Living Adjustment for inflation based upon the Federal Bureau of

Labor Statistics' *Consumer Price Index for Urban Wage Earners and Clerical Workers* (CPI-W). Claims liabilities at year end are adjusted for any approved Inflation Adjustments. Inflation adjustments are cumulative. Cumulative Inflation Adjustments of 15.78% and 13.84% are included in outstanding claims liabilities as of December 31, 2010 and 2009, respectively.

The Trust processed and approved approximately \$40,760,000 and \$35,781,000 of Trust Claims during the years ended December 31, 2010 and 2009, respectively.

#### NOTE E - COMMITMENTS AND CONTINGENCIES

The Trust leases its offices in Reno, Nevada, under a non-cancelable operating lease. The lease contains escalation provisions, options to extend and expires July 31, 2011.

The Trust paid \$96,323 and \$102,953 in rental expense during the years ended December 31, 2010 and 2009, respectively. Future minimum rental commitments under this operating lease are \$48,832 in the year ending December 31, 2011.

The Trust has specific contingent obligations for the benefit of the Debtors, related parties and insurers to pay asbestos-related claims that may arise in the future. The Trust believes it is very unlikely that any claim will ever be made, but has funds available in an abundance of caution.

#### NOTE F - FACILITY AND STAFF SHARING AGREEMENT

The Trust has entered into facilities and staff sharing agreements with the J. T. Thorpe Settlement Trust, (J. T. Thorpe Trust) and the Thorpe Insulation Company Asbestos Settlement Trust (Thorpe Insulation Trust). The three trusts are related through common Trustees. Under the agreements, and in exchange for advance monthly payments, the Trust provides use of its facilities and services relating to administration and claims processing. For the J.T. Thorpe Trust, the initial monthly payment of \$21,000 was in place through June 30, 2008, and was raised to \$27,000 effective July 1, 2008 and for all months thereafter. For the Thorpe Insulation Trust, the initial monthly payment of \$35,000 will be in place through June 30, 2011, and will be reduced to \$27,000 effective July 1, 2011 and for all months thereafter. The agreements are in effect through December 31, 2011, and provisions allow for automatic renewal for additional one-year periods unless either party provides six months written notice

The Trust is required annually to provide a written calendar year reconciliation of the annual services costs compared to the advance payments. Any excess of cost over payments or payments over cost is required to be repaid by the benefited party with interest. The reconciliation is performed and recorded in the period subsequent to the reconciliation period. For the agreement with the J.T. Thorpe Trust, the reconciliation performed for the year ended December 31, 2009 resulted in an additional payment to the Trust of approximately \$1,000, and the reconciliation performed for the year ended December 31, 2008 resulted in an additional payment to the J.T. Thorpe Trust of approximately \$1,000. The next reconciliation period will be the twelve-month period ending December 31, 2010. For the agreement with the Thorpe Insulation Trust, the first reconciliation period will be the fourteen-month period ending December 31, 2011.

#### NOTE G - NET CLAIMANTS' EQUITY

The Trust was created pursuant to the Plan approved by the United States Bankruptcy Court for the Northern District of California, Oakland Division. The TDP was adopted pursuant to the Plan and concurrently with the Trust Agreement. It is designed to provide fair and equitable treatment for all Trust claims that may presently exist or may arise in the future. The TDP prescribes certain procedures for distributing the Trust's limited assets, including pro rata payments and initial determination of claim value based on scheduled diseases values, jurisdictions, and individual factual information concerning each claimant as set forth in the Trust Procedures.

Under the TDP, the Trust forecasts its anticipated annual sources and uses of cash until the last projected future claim has been paid. A pro rata payment percentage is calculated such that the Trust will have no remaining assets or liabilities after the last future claimant receives his/her pro rata share.

Based on research and testimony presented during the bankruptcy, the court approved an initial payment to claimants of 31.5% payment of the liquidated value of then current and estimated future claims (Payment Percentage). The TDP gives the Trustees, with the consent of the Trust Advisory Council ("TAC") and the Futures Representative, the power to periodically update its estimate of the pro rata payment percentage based on updated assumptions regarding its future assets and liabilities and, if appropriate, propose additional changes in the pro rata payment percentage. The Payment Percentage was increased by the Trustees to 34.2% in February 2006, 40.0% in July 2007, and 44% in February 2010. These changes were made with the consent of the TAC and Futures Representative. The increases were retroactive for claims approved since inception.

#### NOTE H - EMPLOYEE BENEFIT PLANS

The Trust has established a defined contribution retirement savings plan under Section 401(k) of the Internal Revenue Code for all eligible employees after completion of certain age and service requirements. Employees may voluntarily elect to defer their compensation or fund a Roth IRA and invest in various options for their retirement. The plan allows employees to defer a percentage of their salaries within limits set by the Internal Revenue Code with the Trust matching contributions by employees of up to 4% of their salaries. The Trust may also make discretionary contributions to employee accounts. The total Trust contribution and expenses under the plan were approximately \$44,500 and \$29,000 for the years ended December 31, 2010 and 2009, respectively.

**December 31, 2010 and 2009**

**NOTE I - RESTRICTED CASH, CASH EQUIVALENTS AND INVESTMENTS**

To avoid the high costs of director and officer liability insurance, and pursuant to the Trust Agreement, the Trust has elected to be self insured and has established a segregated security fund of \$40 million. These funds are devoted exclusively to securing the obligations of the Trust to indemnify the former and current Trustees and officers, employees, agents and representatives of the Trust. The funds are held in a separate Trust bank account, and the investment earnings on these funds accrue to the benefit of the Trust.

As of December 31, 2010 and 2009, cash, cash equivalents and investments of \$40,000,000 were restricted for this purpose.

**NOTE J - INCOME TAXES**

For federal income tax purposes, the Trust is taxed as a Qualified Settlement Fund (QSF). Income and expenses associated with the Trust are taxed in accordance with Section 468B of the Internal Revenue Code. The statutory income tax rate for the Trust is 35%.

The Trust records deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the book and tax basis of assets and liabilities.

The provision for income taxes consists of the following for the years ended December 31, 2010 and 2009:

	2010	2009
Federal income tax – current	\$ 1,302,893	\$ 1,345,123
Deferred income tax expense	9,695,000	26,292,948
	\$10,997,893	\$27,638,071

The components of the deferred income tax asset (liability), as presented in the statements of net claimants' equity consisted of the following at December 31:

	2010	2009
<u>Deferred tax asset (liability)</u>		
Depreciation and amortization	\$ 1,000	\$ 2,000

### **Western Asbestos Settlement Trust Claim Report As of December 31, 2010**

This report is submitted pursuant to Section 2.2 (c)(ii) of the Eighth Amendment to and Complete Restatement of Western Asbestos Settlement Trust Agreement, which requires the Trust to file with the Bankruptcy Court a summary of the number and type of claims disposed of during the time period covered by the financial statements (“Accounting Period”). This report summarizes the Trust’s processing of the claims liquidated by default, settlement agreement, or the settlement matrix prior to April 22, 2004, the Effective Date of the Trust (“Pre-Petition Liquidated Claims”) and the claims received since the Effective Date of the Trust (“Trust Claims”).

#### **Pre-Petition Liquidated Claims**

In 2004, the Trust implemented a procedure to pay the Pre-Petition Liquidated Claims in accordance with the Plan, the Trust Distribution Procedures and the Confirmation Order. The Confirmation Order, as amended on April 14, 2004, provided that the initial payment to Pre-Petition Liquidated claimants was to be 31.5% of the total liquidated value of each claim. The total liquidated value of California default claims includes statutory interest. As the Payment Percentage has been raised, the Pre-Petition Liquidated Claims, that were paid earlier, have received this additional compensation.

The Trust paid one (1) Pre-Petition Liquidated Claim during the Accounting Period in the amount of \$10,929, at the approved Payment Percentage of 44%, which also included an additional 13.84% to account for inflation based upon the Federal Bureau of Labor Statistics’ Consumer Price Index for Urban Wage Earners and Clerical Workers (“CPI-W”). The Trust has not yet received proper releases for thirty-one (31) Pre-Petition Liquidated Claims in the total amount of \$681,338. That amount is based upon the current Payment Percentage of 44% of the total liquidated value, and includes the inflation adjustment of 15.78% utilized for claims payments made in 2011.

#### **Trust Claims**

Claims received and disposed of from January 1, 2010, through December 31, 2010, in accordance with the Case Valuation Matrix (“Matrix”), Amendments to Matrix Sections VII c and VIII, and the First Amendment to and Complete Restatement of the Western Asbestos Company/Western Mac Arthur Co. /Mac Arthur Co. Asbestos Personal Injury Settlement Trust Distribution Procedures (“TDP”) are as set forth below.

The value of each compensable disease is determined by the Matrix and TDP. Claim compensation is adjusted for individual claimants based upon jurisdiction and tort related individual characteristics including, but not limited to: age, marital status, dependents, medical specials, economic loss, and whether living at the time of commencement of litigation or filing the claim with the Trust. Each valid claim is

awarded a total liquidated value. As of December 31, 2010, Trust Claims were paid at the approved Payment Percentage of 44%. Payments made on Trust Claims included an additional 13.84% to account for inflation based upon the CPI-W.

During the Accounting Period, 969 claims were received, 748 claims were paid, and 743 claims received offers.

Below is a summary of the number and type of claims disposed of (paid) in 2010.
